Merchandise Director:

Gene Bradberry discussed how FOHBC positions were created and their particular duties, and this included the position of Merchandise Director. The Business Manager was not a position at that time, but was created later. At this point in time, the Merchandise Director's duties could be absorbed by the Business Manager and Alan DeMaison is willing to do this.

Action Taken:

Gene suggested the Merchandise Director be replaced with a Director-at-Large position and would like board members to consider this suggestion.

**Agenda 2: Other Discussion**

Three items were recommended for consideration by Board members and will be discussed at a future date:

1. Merchandise – it was suggested to have regular items such as the denim and/or polo shirts, and the caps with the FOHBC logo.
2. Eliminate the Merchandise Director position and replace with a Director-at-Large.

3. The necessity to acquire any and all 'old' *Bottles and Extras* magazines/merchandise being held by Kent Williams.

Designing of the FOHBC logo still needs to be given more thought, as Ferd pointed out, there are several different logos.

Gene asked about show flyers being on the FOHBC website and Ferdinand Meyer stated that if he was sent a show flyer, it is posted on the website for downloading. Clubs should be made aware that this can be done.

The Baltimore Bottle club has inquired about hosting an FOHBC national show.

The topic of future auctions at the FOHBC Expos and National Shows was briefly discussed.

Gene Bradberry reported that the final show report remains open. He is still dealing with the issue of payment for the tables/chairs and set-up/take down discrepancies.

Carl Sturm will forward information to Ferdinand on the award winners from the FOHBC Memphis Show to be included on the website.

**The conference all was ended at 9:45pm EST**

Respectfully submitted,

James Berry, Secretary
