**Agenda 2: Federation Blanket Liability Insurance Policy**

Gene Bradberry wants to ensure that all members are aware that the Federation has a blanket liability insurance policy through J.C. Taylor, Inc., which is available to clubs who have memberships in the Federation. Each member club can take advantage of this policy rather than purchase one for their event. This liability policy covers meetings, shows, and club sponsored events (i.e., digs). It is strictly liability and it is available to at no cost to the club.

A personal liability policy for Federation directors and officers is also held. Sheldon Baugh explained that this covers the directors/officers in case of a lawsuit or charges against the board, if done on behalf of the Federation.

Information regarding the benefits of joining the Federation, both individual and clubs membership is listed in the Bottles and Extras magazine. Ferdinand Meyer will include this information on the website.

Club memberships should be renewed at the same time rather than prorate the membership cost.

**Action taken:**

Motion was made by Bob Ferraro to allow a club’s renewal date commence annually when their membership is paid (i.e., joins in March, will be renewed the following March); motion was 2nd by John Pastor and all were in favor.

Requests for club liability coverage will be submitted to the Business Manager. He will verify that the club is a member of the Federation. Requests will then be forwarded to Sheldon Baugh, who will contact the insurance company to send the certificate.

**Agenda 3: Update on FOHBC Website**

Ferdinand Meyer gave an update on the recent launch of the website highlighting several features such as the ability to “count” visits, as well as what they are viewing; access codes for Federation members to view Bottles and Extras on-line; higher security level access for Board officers; and “advertising pop-ups.”

Ferdinand Meyer stated that in the last several years, there have been several different types of logo designs for Bottles and Extras. He recommends using only the scroll-type logo, which is on the cover of the Jan/Feb 2010 issue.

**Action taken:**

Motion was made by Jim Bender to pay a 2-year, $200 fee for a subscription to the version eliminating banner ads for online reading of Bottles and Extras. Motion was seconded by Mike Newman and all were in favor.
Motion was made by Dick Watson and seconded by Jim Bender that the Bottles and Extras logo be standardized using the recommended Jan/Feb 2010 logo.

The Federation logo of a bottle with a pick & shovel and eagle is a separate logo.

**Action taken:**

Ferdinand Meyer will work in conjunction with Martin Van Zant to develop standard versions of the Federation logo, i.e., black and white and color. A presentation will be made to the Board at the March 2012 Directors meeting.

Discussion was held regarding viewing of Bottles and Extras on the website.

**Action taken:**

Richard Siri joined the meeting via telephone reporting on progress of the Reno 2012 Expo. Contracts are now available. Specific details such as the banquet (sit-down or buffet) or auction, have not been decided at this point in time. Discussion ensued as to whether to have an auction or include other events as this will be a 3-day event, for example holding a silent auction, bottle shoot-outs and/or other social gatherings.

Richard noted that the city of Reno has a license fee of $15 making the cost of a table slightly higher. Hotel rates are expected to less than $100. Information for the Expo is on the website.

Immediately following Richard’s report, he terminated the call as requested.

**Agenda 5: Future Auctions - Protocol**

Brief discussion was held regarding future shows and the status of auctions – does the Federation want to handle auctions or possibly leave it up to the local sponsoring club. This can be decided on a year-to-year basis.
