

The Federation of Historical Bottle Collectors

Slide Presentation Programs

One of the benefits available to individual members and affiliated clubs in good standing is the opportunity to rent slide programs for use at club meetings, shows and educational presentations to civic groups, schools, etc.

A list of the programs current available follows. We encourage our members to make available additional presentations. Contact your Board Representative or the Federation president if you have a taped program or slide presentation that you would like to share with the collecting community.

These three show all of the colored pictures that appeared in the earlier auctions of the Glass Works Auctions. They demonstrate a nice array of bottles and glass items.

Guidelines for Use:

1. Rental fee per program is \$15.00. Renting party is responsible for return shipping cost.
2. All slide programs are in Kodak carousels and require a projector for viewing. Please do not open the carousels to change the order of slides, etc.
3. We require that the carousels carry \$100.00 insurance coverage when being returned. If the carousel is uninsured and lost or damaged, the renting party is responsible for reimbursing the FOHBC in the amount of \$1.00 per slide.
4. Please request your program with adequate time allowed for shipping. Promptly return the slides when finished so that others may use them.
