The Oldest Specialist in the West.

MEN NOT ONE DOLLAR NEED BE PAID UNTIL YOU ARE CURED

DR. G. W. SHORES, always seeking to help suffering mankind, always trying to convince people that he gives value received for every dollar paid him, has decided to give a sick, frazzled and impatient his death blow, and protect the suffering children from the despicable methods of quacks and charlatans. Every sufferer from

LOST MANHOOD

Renal Weakness, Varicocele, Hydrocele, Syphilis, Gonorrhea, Stricture, small or shrunken organs, premature old age and all other private diseases, whether caused by ignorance, excess or continence, no matter how severe, you can consult DR. G. W. SHORES, the physician who has given his life to curing chronic diseases, and be examined, advised, treated and cured without paying him one dollar until the cure is effected. The doctor reserves the right, however, to refuse any incurable case if he can't cure you. He doesn't want your money. Such an offer was never before made by a responsible physician, and Dr. G. W. Shores is only able to make it because he positively cures these diseases. Don't waste another cent on questionable doctors. Just consult the "Old Doctor" and be cured. **DISSEMINATED SACREDLY CONFIDENTIAL.**

WRITE Dr. G. W. SHORES,

What is it that is so intriguing about the past? It is hard to describe to a "non-participant" in our hobby as to what we see in these objects of glass that silently speak out to us. Maybe it is a longing to go back a hundred years to see how our ancestors lived, what challenges they faced? It is almost magical to look at an old bottle, and for just a moment, we find ourselves peering through the eyes of yesteryear!

Such are the nostalgic feelings conjured up by the bottles of one of Utah's most "famous Doctors" - The G. W. Shores Company, "proprietors and manufacturers of Dr. G. W. Shores Famous Curative Remedies."

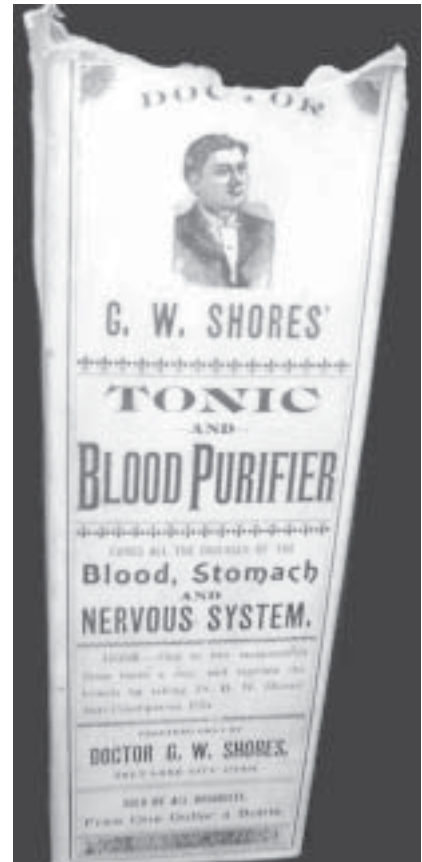

The Zion's Health Instructor (a broadside published by the G. W. Shores Company, Salt Lake City, Utah, circa 1900) listed the broad range of Dr. Shores products, including numerous "Cures," "Vermifuges," "Tablets," etc.

Dr. G. W. Shores:

- Tonic and Blood Purifier [Fig. 2]
- Kidney and Liver Cure
- Cough Cure
- Pepsin Vermifuge
- Acme Tooth Powder
- Epileptine
- Nerve Tonic Pills
- Winter Green Salve
- Complete Catarrh Cure [Fig. 6]
- Anti-Constipation Pills [Fig. 7]
- Favorite Prescription [Fig. 8]
- Mountain Salve Oil
- Kola Bitters

Only a few of Dr. Shores bottles have been located, making them a rare and

highly sought after collectible for collectors of Utah and western medicines.

[Fig. 2]

Some of the fascinating and outlandish statements of the "medicinal properties" purported for these remedies included:

- **Dr. G. W. Shores Epileptine**

"Is absolutely guaranteed to cure every case of epilepsy, or fits, if the simple directions on the bottle are followed. Price, \$2.50 a bottle."

[Fig. 3]

- Dr. G. W. Shores' Nerve Tonic Pills

"The great Utah remedy for nervous prostration, organic weakness, nervous debility, premature decline and all nervous diseases of either sex. Each box contains one full month's treatment. Price, \$5 a box."

Or, how about the following amazing claims for Dr. Shores' Kola Bitters:

"The best tonic on earth. For nervous and general debility, loss of appetite, indigestion and all cases resulting from an enfeebled, run-down, or overworked condition of the system. Prices, 25-cents and 5-cents a bottle."

How many of us today would like to take a swig of that juice to address our "run-down, or overworked condition of the system?" Wow, if only we could find "cures" for all these health problems today for \$2.50 or \$5 a box! Then again, \$5 likely was a lot of money in the 1890s.

A very interesting testimonial was published from a Mrs. August Liljenfeldt [Fig. 4]. She says, *"I have been deaf for several years - particularly in my left ear - and the loudest noises were barely heard when I listened intently. Later on, I became totally deaf in that ear, and people had to fairly shout in my right ear to make me understand anything at all."*

In large bold letters in the ad, she is further quoted, **"I COULD NOT HEAR A TRAIN WHISTLE. Drs. Shores entirely restored my hearing in two months treatment. - Mrs. August Liljenfeldt, 61 Apple Street, Salt Lake City."**

"I COULD NOT HEAR A TRAIN WHISTLE."
"DRS. SHORES ENTIRELY RESTORED MY HEARING IN TWO MONTHS' TREATMENT."
 MRS. AUGUSTA LILJENFELDT,
 61 APPLE STREET, SALT LAKE CITY.

MRS. AUGUSTA LILJENFELDT, 61 Apple Street, Salt Lake City—
 is today a happy, grateful woman, for as she says—
 she can hear ordinary conversation now where she could not hear the loudest noises 2 months ago.

She Says: "I have been deaf for several years—particularly in my left ear—and the loudest noises were barely heard when I listened intently.

Later on I became totally deaf in that ear, and people had to fairly shout in my right ear to make me understand anything at all. Even when I was alone I could not hear my own voice spoken to me, and everything happened as if in a dream. In despair I went to Dr. Shores, who carefully examined my ears with his wonderful new instrument, and told me that a cure was possible. I began treatment, and soon my hearing began to improve, and I was able to hear the loudest noises, for in a short time I began to understand—I could hear things move and things could catch better words of conversation, and with my new hearing was restored. I have gradually got better and better, and today I can hear things I never did, and can easily hear ordinary conversation—and for the first time in years can hear my clock tick. This has all been accomplished in two months, at a cost of \$5.00—and I am honestly saying I am perfectly cured—and so much can express my gratitude to these wonderful doctors. I sincerely desire anyone interested to write to me or call on me for particulars.

Stan Sanders' research identified advertisements for Dr. Shores' products for October 17, 1896 in the "*Piute Pioneer*, August 6, 1902 in the *Salt Lake Tribune*, November 14, 1904 in the *Salt Lake Herald*, November 16, 1907 in the *Piute Courant*, and February 29, 1916 in the *Salt Lake Tribune*.

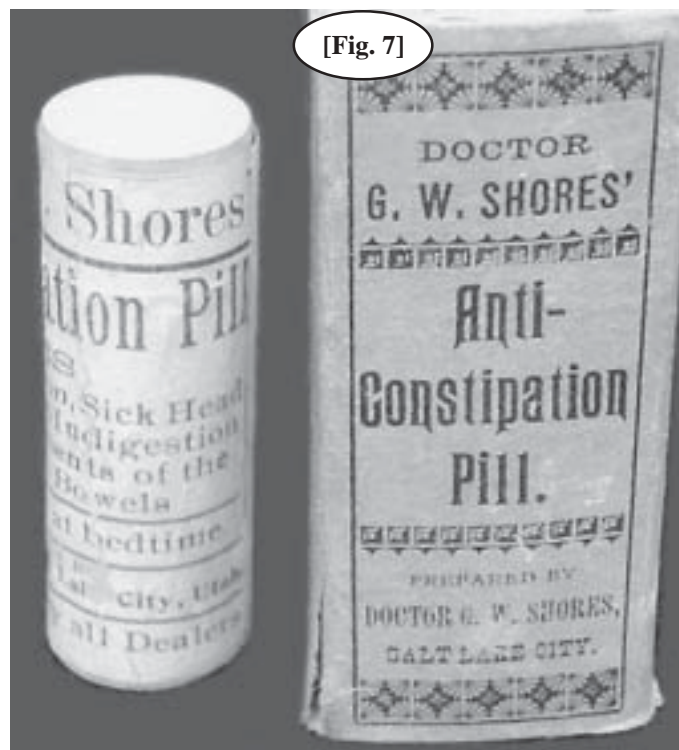

Another curious testimonial of Dr. Shores' remedies is quoted here to illustrate the advertised potential of some of these wondrous medicines of the past:

"I have a new lease on life since taking Doctor Shores' splendid remedies," says Mrs. O.J. Robinson, who resides at 610 South Third West Street, Salt Lake City. *"I had been troubled with heart disease for a good many years, brought on by complicated kidney trouble, hard work and exposure in early days. My heart would throb and palpitate until sometimes I would think it would jump out of my breast. The slightest exercise made me weak and faint, and when I would walk upstairs, I would have to stop and rest every three or four steps. I had dull, heavy, aching pains across my back. My feet and limbs would swell until they would feel so heavy that I could scarcely lift them to get about. My stomach distressed me, my food did not properly digest and my blood was weak and watery. In fact, I had reached a point where my friends thought that nothing could be done for me, but they are delighted and surprised to see me looking so well, and I feel very thankful to Doctor Shores, for I not only feel that I have a new lease on life. A remarkable short use of Doctor Shores' Tonic and Blood Purifier, Kidney and Liver Cure and Anti-Constipation Pills has placed me in a position where life is pleasant and no longer a burden to me, as it used to be."*

Just for fun...

Practical Jokes

(or who says you cannot have fun when the show slows down?)

Collector: "I'd just like for you to explain to me why this jar is marked \$1200.00 and the very same jar next to it is \$1.00?"

Dealer: "Well, ma'am, they aren't the same jar... You see, this one is a very rare jar and ever though it is clear, like the other jar, it is from a very rare mold and company. See here, it says, 'Drey Perfect' ... 'Wait a minute, that's not MY label...!'"

As laughter explodes from the dealers around him, we say, "Gotcha Jackie!! And, you were so sincere in attempting explanation...!"
