Ferdinand e-mailed information to members previous to tonight's call. He explained that he did need to clarify a couple questions he has with John Joiner. He also noted that he would like to have the total amount taken in from the bottle auction - the statement only identifies the Federation's percentage. Other items listed on the statement were reviewed and board members had a few questions regarding the statement. It was pointed out that the souvenir program did very well due to a great quantity of advertisements.

<u>Action Taken</u>: Members were asked to review further and send questions/comments to Ferdinand if there are any. Ferdinand will follow up regarding the income from the auction sales.

Agenda 4: 2017 Springfield National Antique Bottle Convention - Jim Bender

Jim Bender reviewed information regarding the Northeast convention. After the Chattanooga show, he realized a few additional details needed to be addressed, such as temperature of show room, food concession having better food selections for breakfast/lunch, table layout (300/400 tables). Ferdinand noted that they did have a "debriefing" conference call (including Chattanooga show chairs, Sacramento convention team, Springfield convention chairs and Midwest team) to help discuss any issues/concerns that can be improved on for each show. Jim explained plans he and Bob have to prepare so those in attendance will have information to the "nearby streets" and what is available for eating, shopping, etc. He stated that in Chattanooga, it was difficult to find a moderate place to eat and ended up ordering pizza delivery at the hotel.

Action Taken: No action taken.

Agenda 5: 2018 Midwest National Convention - Ferdinand Meyer V

Ferdinand reported on this in Matt Lacy and Louis Fifer's absence. Support has been given to Matt and Louis by both Ferdinand and Jim Bender on what to expect and negotiable items (such as rooms, banquet costs, etc.). A report is expected to be received soon from Matt and Louis.
