**Re: 2016 FOHBC Hall of Fame Induction**

Dear Jeff:

It gives me great pleasure to confirm that your nomination to be included in the prestigious FOHBC Hall of Fame, was approved by the FOHBC Board of Directors on 28 March 2016.

Per our recent telephone conversation, where you also received this news, we know that you, Lynne, Tyler and Dennis plan on attending the FOHBC 2016 National Antique Bottle Convention & Expo Banquet on Friday, 05 August 2016, at the Lions Gate Hotel Hotel, Club Ballroom, where your induction will be announced and you will be called to the stage to receive your award. Your banquet tickets will be taken care of by the FOHBC. Two room nights at the Lions Gate Hotel will also be provided by the FOHBC for you and Lynne.

Congratulations. The Federation Board was very pleased with the nomination process and approved your induction with a unanimous, 18 of 18 votes. A 2/3<sup>rd</sup> majority was required. You will join an important group of individuals who have brought forth significant contributions to our great hobby. No one deserves it more than you.

With Best Regards,

Federation of Historical Bottle Collectors
