You also have an option to walk, which is about 15 minutes one way. If the weather is nice, it's a great stroll. Registration packets can be picked up in front of our event space in the Rock Hall. Please stop here to pick up your Convention packet before enjoying the awesome displays at the Rock Hall.

Parking:

- Marriott** - \$22 self-park (no in and out privilege) , \$32 valet (in and out privileges)
- Huntington Convention Center** - \$10 during day, \$40 for 24 hour parking

The following are only suggestions for our dealers or displayers.

- Arriving Thursday morning** - Self-park at Cleveland Marriott and enjoy the day. Next follow the "arriving Friday" instructions below.
- Arriving Friday morning** - Unload at the Convention Center and park in the Huntington Convention Garage until show close at 5 pm. Self-park in the Cleveland Marriott garage for the rest of the weekend. This will get you through Sunday at 5 pm without an additional day charge. This is why we are suggesting to stay parked at the Huntington Garage for the duration of the show Friday.

We really hope this is helpful, and look forward to seeing everyone!
