

## VIRTUAL MUSEUM OF HISTORICAL BOTTLES AND GLASS

A digital expression of what one might find in a real 'bricks and mortar' museum. With galleries, exhibitions, research, resources and support functions to enhance the visitor experience.

### 360° PHOTOGRAPHY

**SOFT OPENING**  
**01 JANUARY 2020**

See every Gallery item in 360 degrees at 36 frames per spin.

**Visit FOHBC.org**  
**for more information**

#### FULL CONTROL OF THE SPIN

You are in full control. Click-and-drag the bottle on a horizontal axis. Play and Pause the spinning bottle.

#### ZOOM AND VIEW IN FULL SCREEN

Each Gallery provides the ability to zoom in and to view in full screen. Capture every possible detail, frame by frame.

#### VIEW ON THE GO

The FOHBC Virtual Museum provides a fully responsive mobile experience. Explore the museum on the go!

#### HIGH-DEFINITION PHOTOGRAPHY

Industry-grade photography to ensure the most accurate depiction of every treasured glass and ceramic gem.
