

August 8, 2020

To our fellow Dealers and Collectors,

Due to circumstances outside of our control, we regret to inform you that the 2020 Mansfield Bottle Show is canceled. Despite our best efforts to attempt reschedule and relocation, we have continuously met an impasse due to state and local restrictions and mandates which inhibit the ability to gather in the capacity we experience with our Mansfield Show. Additionally, county-based restrictions continue to change daily which will shut down the fairgrounds and their staffing periodically.

We realize that It is not fair to our attendees to cancel without sufficient notice, and we are extending that courtesy now after fielding many inquiries about the status of the show.

If you have submitted a contract for the 2020 show, your balance will be credited to your contract for the 2021 show. If you would prefer a refund, please contact our show treasurer Adam Koch at (330) 644-0274 and kindly leave a voicemail if he is not immediately available.

Planning ahead, we look forward to seeing you all in May of 2021 for the 42nd Mansfield Bottle Show. In the meantime, stay safe and stay healthy.

Sincerely,
Matt Lacy and Louis Fifer
2020 Mansfield Bottle Show Chairmen
