AUGUSTA AT THE CONVENTION CENTER

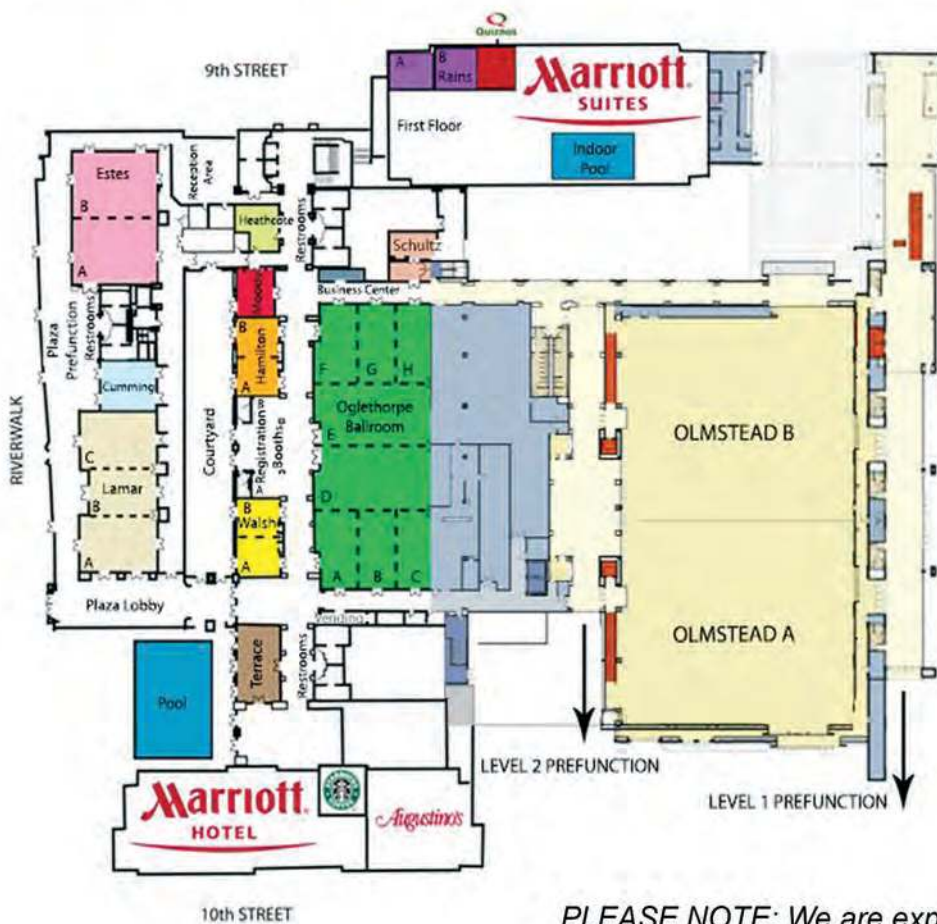

We are pleased to introduce you to our host hotel. Recognized for our dramatic guest room transformation in 2016 by Marriott International, the Augusta Marriott at the Convention Center on the Savannah River waterfront deftly defines a new standard in comfort and style. The focus of the Augusta, Georgia hotel is on the guest, with sleek, new accommodations that transform to meet the need and the moment. Platform beds raise the quality of sleep, while multi-purpose surfaces easily flex to various functions. Extendable closets hold power outlets and lots of space. And spa-inspired bathrooms feature granite counters, a glass-walled shower with waterfall head and hand-held wand. The experience continues to the updated fitness center and indoor and outdoor pool. For dining, Augustino's Italian Eatery and Prime

Steaks and its lounge serve breakfast, lunch and dinner daily. And our 100,000 square feet of adaptable event space brings meetings and celebrations to life – all in a location near Augusta National Golf Club, Augusta University, shopping and cultural venues.
